Part 5 -Review the Norms:

Norms: The following are general norms in the consensus decision-making model:

- a. Step Up - Step Back = if you have talked let others talk, encourage those who haven't shared their thoughts to share.

- b. Follow Stack = respect others by not jumping in front of them when it comes time to speak
- c. Be solution oriented
- d. Trust the process
- e. One person speaking at a time
- f. Start and End on Time/Respect Everyone's Time
- g. Presenters explicitly state their **objective**, and **the action** you want SGT to take
- h. Other Norms???..... (Community should construct the norms)
